Warequip Solutions ABOUT

Wareuip Solutions

Australia's premium supplier of world leading industrial vehicle and materials handling brand.

Since 1976, Warequip Solutions has grown from a specialist importer of forklift attachments into Australia's premium supplier of world-leading industrial vehicle and materials handling brands. Backed by a state-of-the-art facility in Maribyrnong, an extensive distributor network, and a fully trained team, Warequip delivers end-to-end solutions across sales, service, hire and parts to customers throughout the commercial, retail, industrial, agricultural and healthcare sectors. From representing renowned names like Clax, Prestar, Taylor Dunn and Polaris, to offering genuine after-sales support and a suite of dedicated eCommerce stores, Warequip Solutions is committed to keeping Australian businesses moving.

clax®

Be Smart, Take This Cart.

A proven market favourite, the Clax Folding Trolley offers a highly adaptable solution with broad market appeal. Designed for portability, storage efficiency, and ease of use, it's compact foldable frame and practical load carrying capacity, makes it a standout choice across multiple industries. Manufactured in Germany to the highest quality standards, the Clax is backed by a 2 year warranty and supported by a full range of readily available replacement parts, providing long-term reliability and confidence. With strong brand recognition and everyday functionality, the Clax remains a reliable, easy-to-sell product that meets the growing demand for smart transport solutions.
